Hi Mike

I received notification from Calbag:

Can you provide nay update?

John

“All of the concrete will be removed from pot room 1 by next week. I will be out of concrete to remove on July 3rd and subsequently out of concrete demolition work as the result of regulatory delay without approval to proceed to pot rooms 2, 3 and 4. We cannot make up days on the concrete removal, a production day us a production day.
